“DRACULA” HAUNTS LCHS STAGE

The La Canada Playhouse Presents Original Adaptation of Horror Novel

The La Canada High School Theatre Department is set to perform an original production of Bram Stoker’s classic horror novel, “Dracula”. This staged adaptation chronicles the desperate race against time to solve a series of mysterious deaths in a remote castle deep in the mountains of Transylvania. “Filled with non-stop thrills, our production of Stoker’s masterpiece is sure to keep the audience on the edge of its seat.” says director Justin Eick.

Although “Dracula” was not an instant bestseller when first published in 1897, critics were unanimous in their praise for Stoker’s Gothic horror novel declaring the story “the sensation of the season” and “the most blood-curdling novel of the century.” Since its appearance, “Dracula” has been the basis for countless films and plays. The current production at LCHS is perhaps the most faithful stage adaptation to date, retaining almost all of the original characters from the novel while pulling nearly all of its dialogue word-for-word from Stoker’s text.

This limited engagement runs March 18th through March 20th at 7:00 pm. Playing at the La Canada Playhouse (formerly the LCHS Auditorium) at La Canada High School, admission is free and the doors to the theatre open fifteen minutes before curtain for open seating.
